

Port City Cat Rescue

Donor Information Guide: 2020

Port City Cat Rescue is a 501(c)(3) tax exempt organization (EIN: 47-4950777) in our 5th year of operation. We aim to do everything we can to rescue cats from high kill animal shelters and off the streets. We need help from our community to make this happen! Each cat or kitten pulled from an animal shelter requires shots, spaying/neutering, veterinary attention, food, litter, and a warm place to live. We can provide all this, but our capacity is limited by our budget. We host an annual fundraiser each year to raise money for these sweet animals. ***This year, our event, Purrassic Park, will be on April 25th at Red River Brewing Co!***

Mission

PCCR aims to end the overpopulation and euthanasia of healthy cats by providing cat adoption services, public education, and Trap-Neuter-Return (TNR) operations.

Community Benefits

PCCR pulls cats from local municipal animal shelters to find their forever homes through adoption. While these cats wait for a permanent home, they live in PCCR's no-kill shelter, and PCCR assumes the financial responsibility for the daily care and vetting of the cats. TNR decreases the feral cat overpopulation problem and also gives these cats a healthier life.

Animal Welfare

To ensure adopted cats are properly cared for and placed in wonderful homes, PCCR screens potential adopters and provides education regarding the importance of spaying/neutering, preventative care, and humane/responsible pet ownership. PCCR is committed to providing education to the general public regarding the importance of humane pet care and humane handling of community cat populations.

Financial Stewardship

The rescue is staffed entirely by volunteers, so all donations are used for program expenses including food, shelter, and health services for the animals in our care. We are a 501(c)(3) non-profit organization. All donations are tax-deductible. All donations are greatly appreciated and serve to improve conditions for animals and people in our community.

To donate, visit portcitycatrescue.org. Thank you!

Over **2,000** cats have found homes through our rescue since September 2015! These cats came from high kill animal controls or were stray kittens abandoned on the streets.
